

I Am Courses for Transformation

A statement of “I am” conveys the essence of God. It is the signature of being. Thus when one introduces themselves to others they are introducing an aspect of God to another whenever they say I am ____.

Our courses will assist people with affirming boldly their Divine presence as well as teach people how to walk in the power of their true essence. Our course facilitators are immerse in the I AM Philosophy of life and are knowledgeable guides into the awakening of the Divine Power that is within us all. The I AM courses include:
